Job Title: Senior Civil Design Engineer

Location: Bozeman, MT with potential opportunity in Billings, MT (may require some travel)

About Us: We are a 100% employee-owned, multi-disciplinary engineering company dedicated to delivering innovative and sustainable engineering solutions. Our team is composed of industry leaders who are passionate about making a positive impact on the world.

Job Description: AESI desires a highly experienced and skilled Senior Civil Design Engineer to join our growing team.

Salary Range: \$95,000 - \$125,000, Depends on experience and education level

Key Responsibilities:

- Lead multiple projects simultaneously from concept to completion.
- Complete projects both independently and as part of a team.
- Develop and maintain strong relationships with clients and stakeholders.
- Provide technical leadership and mentorship to junior engineers and staff.
- Utilize Autodesk Civil 3D for engineering design of grading, roads, water, and sewer.
- Perform complex engineering calculations and prepare detailed specifications and reports.
- Review/redline and provide QA/QC on engineering reports, specifications, and plan sets.
- Attend and lead meetings with clients, contractors, and regulatory agencies.

Qualifications:

- B.S. in Civil Engineering and 10-15 years of post-graduate experience.
- Professional Engineer (PE) license required.
- Proven experience managing and executing civil engineering projects.
- Excellent computer and technical skills. Proficiency in Microsoft Office Suite (Word and Excel minimum) required.
- Proficient in AutoCAD Civil 3D required. Knowledge of Autodesk Vault preferred.
- Proven experience with permitting processes and requirements with local/regional knowledge preferred.
- High level of personal responsibility, accountability, and analytical aptitude.
- Quality-oriented and willing to work on a variety of civil engineering projects.
- Interpersonal skills to meet and communicate effectively (written & verbal).
- Positive attitude and professional bearing.

What We Offer:

- Competitive salary and benefits package.
- Employee ownership (ESOP)
- Opportunities for professional growth and development.
- A collaborative and inclusive work environment.
- The chance to work on exciting and impactful projects.
