**Job Title: CAD Drafter**

**Location:** Bozeman, MT

**About Us:** We are a 100% employee-owned, multi-disciplinary engineering company dedicated to delivering innovative and sustainable engineering solutions. Our team is composed of industry leaders who are passionate about making a positive impact on the world.

**Job Description:** AESI desires a full-time drafter to join our growing team.

**Salary Range:** \$60,000 - \$80,000, Depends on experience

**Key Responsibilities:** This position will perform a wide range of land surveying and civil engineering related CAD duties in support of surveyors, project managers, and engineers. This person must be quality-oriented and willing to work on a variety of projects. This person must be a motivated, personable, hard-working, and self-directed team player.

**Qualifications:**

- Minimum 2 years of experience in AutoCAD Civil 3D.
- Strong working knowledge of land survey drafting, including survey databases, linework coding, and surface creation.
- Experience preparing Boundary, ALTA, topographic, and plat maps from survey data.
- Associate's degree in Computer-Aided Design Drafting or related field preferred. Autodesk Certification beneficial.
- Excellent computer and technical skills. Microsoft Office Suite (Word and Excel minimum) required. Proficiency in AutoCAD Civil 3D required.
- Must possess analytical aptitude and communication skills (written and verbal).
- General understanding of civil engineering design, construction processes, and land surveying processes is beneficial.
- Survey field experience is beneficial. Preference given to candidates who are LSIT certified or on track to obtain certifications.
- Positive attitude and professional bearing.

**What We Offer:**

- Competitive salary and benefits package.
- <https://alliedengineering.com/careers/> for further benefit details
- Employee ownership (ESOP)
- Opportunities for professional growth and development.
- A collaborative and inclusive work environment.
- The chance to work on exciting and impactful projects.

**How to Apply:** Interested candidates are invited to submit their resume and cover letter to Greg Finck, PLS, Principal Surveyor, at [gfinck@alliedengineering.com](mailto:gfinck@alliedengineering.com) with the subject line "CAD Drafter Application."
